## *Headteacher's Newsletter*

**19th July 2024**

Dear Parents/Carers,

I hope this letter finds you well.

As we reach the end of another academic year, I am filled with immense pride and joy as I reflect on the incredible journey we have shared together at Hall Mead School and my first as Headteacher. This year has been nothing short of extraordinary, and I am delighted to share with you some of the highlights and achievements that have made it so special.

When COVID-19 struck a few years' ago, our vibrant school community was suddenly silenced. The once bustling hallways and classrooms were eerily quiet, and the joy that defines Hall Mead seemed to have vanished. However, through resilience and determination, we reopened our doors and brought back the colour, joy, laughter, and excitement that makes our school so unique.

Our classrooms are more than just places of learning; they are spaces where friendships flourish, support is unwavering, and kindness is a daily practice.

This final newsletter is packed with stories of achievement from students across various backgrounds and educational starting points. We celebrate the diverse talents and accomplishments of our young people, who have excelled not just academically but also in sports, arts, and community service.

This rich tapestry of achievements is what sets Hall Mead School apart. We are not just an exam factory; we are a community where every student is valued and nurtured. It is one which I consider to be my home in lots of ways.

As you read through the newsletter, you will see why Hall Mead is a special place. It is the dedication of our students, the support of our parents, and the unwavering commitment of our staff that make this school a 'family for life'.

Next week, I will send out a final letter with information regarding the last few days of this term, the start of our new academic year, and staffing arrangements. But for now, let us take a moment to reflect on the wonderful year we have had together and the bright future that lies ahead.

Thank you, parents/carers, for your ongoing support and for being an integral part of our community. Together, we have made this year truly remarkable. I wish you all a fantastic summer filled with joy, relaxation, and cherished moments with your loved ones.

I am so proud of all of your children, and our staff, and will look forward to seeing them again in September.

***Miss Ducker***

***Headteacher***

## Pastoral Focus

### Mrs Fanning, Senior Assistant Headteacher

Last week, Deputy Headteacher, Mr Bamber delivered assemblies to all year groups in regards to their end of year report and our school assessment system. He encouraged students to think about the link between excellent attendance and excellent outcomes.

This week, in form time, students have been asked to think about setting new goals for the new academic year.

## Pastoral Focus: Setting new goals

You have all just or will be getting your Summer Reports. You are also probably at the end of this year's journey for sports, clubs you play for, instruments you learn, dancing shows and exams etc. This makes it an ideal time to stop and reflect.

- *Think about what you have achieved, what went well, what you learnt or succeeded in*

- *Reflect on where you didn't get it right, could have done better, still need to improve*

- *Set some realistic but challenging goals for yourself. Could you spend X minutes each night on a particular skill or subject? What new techniques could you try? How can you change your mindset?*

**HALL MEAD**  
SCHOOL

## Saying Goodbye!

Over the next few pages, you will see some goodbyes from staff who are leaving Hall Mead at the end of this academic year.

We would like to say a special farewell to them and wish them all the best in their exciting future endeavours.

They will all remain a part of our 'Hall Mead Family for Life'.

*goodbye*

**HALL MEAD**  
SCHOOL

## **Saying Goodbye!**

### **Ms Hallett**

After 22 wonderful years at Hall Mead School, it is time for me to embark on a new chapter in my life. As I reflect on my time here, I am filled with fond memories, immense pride, and deep appreciation for the incredible journey we've shared. My time here has been one of the most rewarding experiences of my career, and it is difficult to put into words just how much this school and everyone here means to me.

Firstly, I want to express my heartfelt thanks to the students. They are the heartbeat of this school. Watching them grow, learn, and succeed has been the most rewarding part of my job. Their curiosity, enthusiasm, and resilience has inspired me every single day and I am so proud of each and every one of them. Continue to strive for excellence, believe in yourselves, and never stop dreaming big.

My colleagues are the backbone of our school. Their dedication, hard work, and passion for education creates the nurturing environment that allows our students to thrive. Working alongside some amazing professionals has been an honour and a privilege. The camaraderie and support we've shared has been a source of strength and joy. I am grateful for the collaboration, the shared challenges, and the collective achievements that have defined our journey together. I would like to thank in particular the English department, past and present, they have been a constant source of support and inspiration.

A special thank you to the leadership team. Your vision, guidance, and unwavering commitment to excellence have been instrumental in driving the school's success. Our shared goal of fostering a positive and enriching educational experience has been at the core of our efforts, and I am proud of what we have accomplished together.

Parents and carers, thank you for entrusting us with the education and development of your children. Your support and partnership are crucial in creating a thriving school community.

As I move on to new adventures at Brittons Academy, I carry with me the lessons learned, the relationships built, and the countless memories created here at Hall Mead School. While I am excited about the future, I will always hold a special place in my heart for this school and everyone who is a part of it. My experiences both in and outside of the classroom and the relationships built here have shaped me both personally and professionally.

Education is not just about imparting knowledge; it is about inspiring curiosity, nurturing potential, and instilling a lifelong love for learning. Continue to support and uplift one another, and remember that the impact of education goes far beyond the classroom walls. Next week's 'Med Trip' which I am leading to Spain epitomises all that I love about Hall Mead. Staff willingly taking time out of their holiday to enrich the opportunities for our young people and students excited about learning new skills and having new experiences. I am very proud of our community.

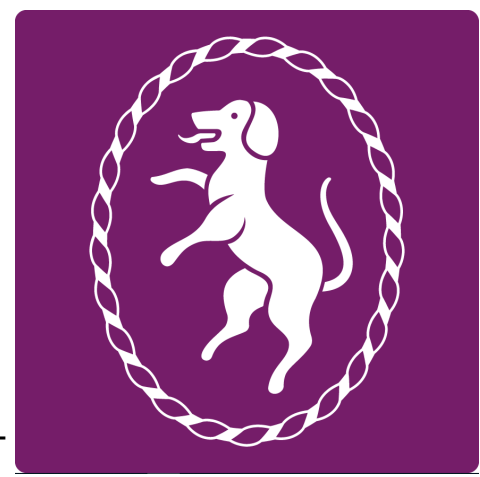

Thank you all for the incredible journey. I wish each of you the very best in the future. This isn't goodbye but see you later - Esto no es un adiós, es un hasta luego.

Best wishes,

Mrs Hallett

**HALL MEAD**  
SCHOOL

## Saying Goodbye

### Miss Eleto

"Over the last 3 years, I have built so many special relationships with the staff, and so many students at Hall Mead School. From the school productions, trips and weekly lessons, I have been welcomed by a wide range of students who are keen to learn and embrace my way of doing things.

I want to say a huge thank you to the kindness, support and community I've experienced whilst working here. Being welcomed into the Hall Mead family was really needed in my career; the core value of 'Family for Life' at Hall Mead shows up in the relationships between staff and students, always going above and beyond for our students to achieve their very best.

A final huge thank you to Miss Garred for being the best head of department, who goes the extra mile to ensure Drama is a respected, valuable subject that students enjoy learning. I can't express my gratitude for the support you've given me through these years.

(This has got way longer than I expected lol) But finally, I will sorely miss so many of the classes and special young people I've taught in my time at Hall Mead.

I wish you all the best in your future journeys through life, school and in your careers.

All the best,

Miss Eleto x"

**HALL MEAD**  
SCHOOL

## Saying Goodbye!

### Mr Ramsden

Dear Hall Mead,

Just a quick note of gratitude for the opportunity to work and be part of the community here. It has impacted my life for the better and great to have been able to be here.

I never really wanted to work in a school growing up at all, yet this place changed my mind and I'm thankful for it.

To the staff thank you for the friendships, laughs, enabling me to grow more here and for the guidance; it's been a pleasure working with you all and I wish you all the best.

To the students, I wish and hope you do well in all your endeavours; all the best in your studies here and as you leave from this place and grow into yourselves more as you enter the world.

Hopefully see you again at some point.

Every blessing,

Mr Ramsden

**HALL MEAD**  
SCHOOL

## Saying Goodbye

### Mrs O'Brien

After a huge 25 years of service at Hall Mead, Kim O'Brien, our kitchen manager, will be leaving us at the end of the academic year.

Whilst not officially a member of Hall Mead staff, we have worked closely with Kim and are very grateful for all of the work she has done.

We cannot imagine how many individual meals she has been responsible for in 25 years!

Kim will be leaving us to take up a Head Chef position at a care home and we wish her all the best.

Thank you for always taking such good care of our food service and being so kind to our staff and students.

## Hall Mead's House System House Cricket

The house system at Hall Mead is a cornerstone of our 'Family for Life' ethos. It is made up of four houses, each with eight tutor groups.

This week, we ran our House Cricket competition and here are the results so far! It is just Year 7 to go today!

### Year 8

**Chapman were the winners for Year 8!**

### Years 9 and 10

**Chapman again took the winning title!**

Will Chapman make it 3/3 today?

**HALL MEAD**  
SCHOOL

## Tower of London Trip

### ‘Team History’

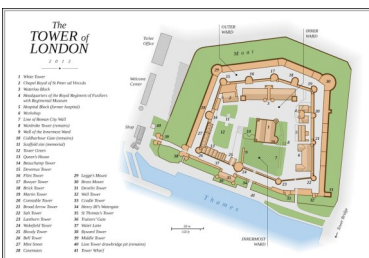

On Wednesday 10<sup>th</sup> July, Team History took some of our Year 7 historians to the Tower of London; castle, royal residence and prison. We met some of the legendary Beefeaters and the famous ravens that guard the tower.

A highlight was seeing the Crown Jewels which lots of students recognised from King Charles III's coronation just last year. Students had a wonderful visit; we are very proud that they were fantastic ambassadors for us and hope they enjoyed their History day out.

Thank you also to our wonderful staff who accompanied us too; Mrs Bannister, Ms Hampton, Mrs Darani, Mrs Fanning and Ms Rees. Thank you!

Special thanks to Mr Smith who is in charge of all the History trips and experiences for all our year groups. Many hours, days and months of organising and planning go into leading our very successful days out! Thank you!

A reminder that you can follow and get updates from the History department and see more pictures from the day and other trips on x/Twitter @HallMeadHistory

## Summer Music Concert

Over the next few pages, you will find some photographs from our amazing 2024 Summer Music Concert which was held on Wednesday 17th July 2024.

A huge thank you must go to Mr Wells, Director of Faculty, and Mr Enoch, Teacher of Music, for all the time and effort which went into organising this event.

It was truly special to see the fun students had performing, how talented they are and how they supported one another.

I already cannot wait for next year's one! Great job everyone!

## Sparx Maths – Our First Year!

Back in September we stepped away from our beloved Hegarty Maths and joined Brittons and Bower Park in using Sparx Maths. Sparx produced individualised homework for students every week – over time focussing on their weaker areas as well as complimenting our Maths Curriculum.

Over the year, here are our school highlights:

**2,142,696 questions answered correctly**

**24,146 hours spent on personalised learning**

**520 students have improved at their timestables**

In particular these students have gone above and beyond, becoming the top student for their year group in earning XP – this XP not only comes from completing the compulsory homework tasks, but also completing the XP boosts and target work. These extra activities provide students with targeted questions to help deepen their understanding of what they are covering in maths.

### Year 7/8 + Year 9/10 Termly Raffle

At the end of each term, we have entered the top 3 XP achievers from every class into a raffle, to win a £20 shopping voucher. The following students are our term 3 winners:

#### Year 7 + 8 Raffle

Erin S - Year 7

#### Year 9 + 10 Raffle

Manav S – Year 9

## Headteacher's Purple Pin Award

It is with great pleasure that I have awarded six students the prestigious Hall Mead School Headteacher Purple Star Pin. This recognition is a testament to their outstanding achievements, positive attitude and contributions to our school community.

The Headteacher Purple Star Pin is a special honour, awarded to only 50 students each year. It is an accolade that highlights exceptional dedication and commitment. As the Headteacher, it is my privilege to bestow this honour upon students who exemplify the highest standards of excellence and integrity.

Their hard work, perseverance, and positive attitude sets them apart from others. They have demonstrated a remarkable ability to excel and to uphold the values that we cherish at Hall Mead School.

Receiving this pin is not just about recognising their past achievements but also about celebrating the potential they hold for the future. I believe in their ability to continue making a positive impact, both within our school and beyond. Their dedication and enthusiasm are qualities that will serve them well in all your future endeavours.

Congratulations to these students!

I hope that they wear their Hall Mead School Headteacher Purple Star Pin with pride.

Yasmin R	Miss Carpenter

## Design and Technology Faculty

I am really excited to share with you some of the amazing outcomes from our recent Year 7 Block Bot project! All of our Year 7's worked incredibly hard in lessons to develop their skills in the workshop. We focussed on accuracy, health and safety, isometric design and using a range of tools and machinery independently in preparation for Year 8. We had lots of fun!

Once the block bots were made, all of the Year 7's were able to take them home to decorate, using their isometric design to help. All of the amazing block bots were entered into a house competition which as you can see from the few I am sharing was fierce competition!

I hope you enjoy seeing some of the final outcomes and we look forward to celebrating the result in their upcoming end of year assembly.

Well done to all of our Year 7's that took part, we loved seeing your creativity shine!

Miss Lloyd

## Celebrating our Library Assistants

Our Library Assistants were recognised for their valuable contribution to the library this year at a special lunchtime celebration.

The following students, who attended, received their Level 1 Library Award in recognition of 1 year's service:

Chloe P, Katie H, Lily-Anne W & Sophia C

Celebrating 2 years as Library Assistants were:

Zaki C, Charlie P & Millie B

Finally, Shannon M returned to Hall Mead to receive 2 awards, the Level 3 Library Assistant plus a Library Assistant Special Award for long-standing commitment.

Shannon is looking forward to treating herself with her £20 Amazon voucher.

Thank you to all our Library Assistants for their continued support this year.

## U13s Girls' Cricket—Mrs Morgan

A fantastic year for our under 13 girls' cricket team!

They have been a force to be reckoned with in every competition we have entered.

Their final achievement for this academic year, sees them finish as the runners-up in the Essex Cricket Chance to Shine competition, narrowly missing out on the top spot by just 3 runs!

Well done girls, Mrs Morgan cannot wait to embark on another successful season with you next year.

She hopes you enjoyed your celebratory McDonalds!

# HALL MEAD SCHOOL

## Year 8 Cricket—Mr Sammons

The Year 8 cricket team put in an excellent performance with the ball to secure their 2<sup>nd</sup> 'Havering Cup' cricket title in 2 years.

As a team, they struggled with the bat but Finley T made sure we finished our innings with a defendable total with an excellent 49 runs. Toby G then produced an excellent first over getting 2 wickets for 1 run and this kick started an excellent performance in the field. Lewis M finished with figures of 3 runs for -19 runs, Toby 2-7 and Finley 3-8.

The bowlers were supported by some excellent catches in the field and the whole team played their part.

It has been another amazing season for the Year 8 team winning the Havering Cup, making it to the semi-finals of the Essex cup and putting in a good performance in the indoor competition earlier in the year.

This is all down to effort and commitment of the students and the team bond they have managed to build over the 2 years.

**HALL MEAD**  
SCHOOL

## Personalised Learning Award

The final winner of the Personalised Learning Award goes to Theodore in Year 10 for outstanding effort in all lessons—not just this week but the whole of the academic year!

Theodore always demonstrates the school values in everything he does.

When we return to school in September, Theodore will be one of the PLC school prefects.

Well done Theodore!

**HALL MEAD**  
SCHOOL

**Well Done Charlotte!**  
**Year 7—Miss Kennett**

We wanted to celebrate two successful competitions Charlotte has participated in over the last couple of months!

The first was earlier this term at the Catleaps Competition where she won gold in her age category of floor and vault, as well as securing the highest vault score.

She also won gold at The Jamie's Competition this weekend for floor and vault in her age category—with the top vault score again!

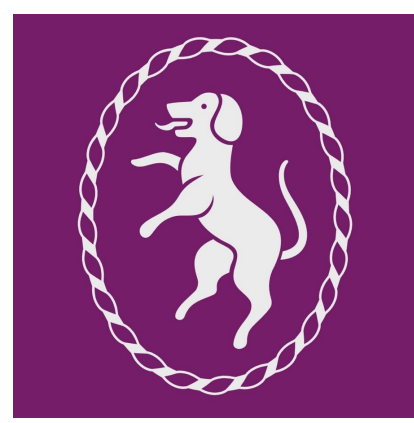

We're very proud of all her hard work! Well done!

**HALL MEAD**  
SCHOOL

Every summer term, Year 9 use their RS lessons to take part in the nationwide First Give programme. It involves the class nominating a social issue that means a lot to them as a group, then researching and nominating a local charity to do one of four things: raise awareness of the charity and the social issue, fundraise for them, volunteer time and maybe even campaigning on their behalf.

## BURNING NIGHTS

This year, our Year 9s chose:

- Burning Nights – A charity that supports those with ‘**Complex Regional Pain Syndrome**’
- Wize-Up/Change Grow Live – Addiction Support
- AddUp – An Attention Deficit Disorder Charity
- RAGS (Romford Autistic Group Support) – Supporting young people and their families locally
- Changing Pathways – A charity seeking to break the cycle of domestic abuse
- Havering Minds – Supporting mental health in young people locally
- JDRF – A charity researching into Type 1 diabetes

**Change  
Grow  
Live**

**RAGS**  
*Supporting Families in Havering*

Each group had to develop a social action and a prepare an impactful presentation. All this contributed to trying to win the £1000 grant from First Give for their chosen charity.

With a broad range of **HIGHLY** successful events – the school was buzzing for the next one and we had many to choose from:

- colour runs
- Sponge throwing -
- bake sales and drinks sales
- jewellery and charm sales
- staff races at Sports Day – tutus and capes were heavily featured
- staff football matches
- another against year 9s – a rematch is needed for that one!
- An inter-form 9-a-side tournament – won by 9WT after a tense penalty shootout
- Bug eating competitions!!!!

All these fundraising efforts totalled over £2000 – and that was before we got to 'The Grand Final Day!'

## Teacher Talent Show!

## **FINALS' DAY**

So, to Thursday 11<sup>th</sup> July where the winning teams presented to our panel of judges and an audience of Year 8 students – inspiring them ahead of next year.

All eight teams stood up, presented their social issue, and put their case forward as to why they and their charity should win the £1000 prize!

All were brave, all were committed to their cause and did an incredible job!

After a great afternoon of presentations, a winner had to be announced and with a special mention going to Tom S and Oliver G from 9DL for their impassioned presentation for RAGS, the big winners on the day were: Ethan, B, Mia L, Millie PS, Francesca R, Poppy M, and Neave C from 8DS representing Burning Nights. This was a win very much in 'The Hall Mead Way' as they chose this charity to support a classmate with the condition.

Well done everyone!!!

## **Thank you**

There are many people we want to thank.

First, to all those who got involved. Whether you bought, sold, ran, played, ate, presented, supported, watched, donated, got thrown things at, threw things at, gave out flyers, raised awareness, allowed us to ask many times for your help, we could not have done any of it without you.

Second, to all the staff who helped us organise and were willing to get involved with no questions asked. We appreciate it so much – and we look forward to your support again next year.

Next, to the Year 9 parents and carers for all your support and the many, many times I'm sure you were asked, 'can you...?' or 'we need...for First Give,' - thank you.

To our esteemed judges, Miss Ducker, Ron Mills (Chair of the Jack Petchey Foundation), Isaac Jones (Director of First Give), John Tyler (Cranham Counsellor), Jess Bains (Hall Mead Governor), and Kingsley Adebisi (Senior Prefect and former First Give Winner); thank you for your time and listening to our finalists.

For Gosia and all at First Give. We are so grateful for your support and the help you gave our students. For the workshop helping our teams get ready with their presentations and seeing them through from the beginning at the introduction assembly to the final presentations. Our students were all the better because of you.

Finally, to our students who have worked so hard and given so much to make this social action project the success it has been! You have given so much, and First Give has been so successful because of all you have put into it!

### **A message from Gosia at First Give**

Gosia sent the below email which just showed us even more what we are already lucky enough to know – Hall Meaders are AMAZING!

*'My fabulous presenting teams,*

*You made me so proud today! I LOVED watching every single one of you showing so much passion and commitment to your charities and causes. Your creativity, audience engagement games and activities as well as deliveries were absolutely awesome! It was truly touching to see how much feedback you have implemented and how hard you've worked! You have overcome your nerves and made the judges, me, and your teachers so joyous! You are the future and if this is what the future looks like - we have no fears! THANK YOU from the bottom of my heart for embracing all the opportunities the programme has given you and we hope you have enjoyed the experience!*

*The judges had a tough decision, each team had a spark of beauty in their presentations, whether a personal story, creative video, or great audience engagement. What also impressed the judges and me was the way you've looked at your social issues, focusing on how they can affect young people...*

*You've all been fabulous and should be really proud!*

*Lastly, a special 'Well done' to Aiden (you know why!), Poppy and Fran (for being super brave) and Mia (you've nailed it!) 🍌🍌🍌'*

It goes without saying that Mrs Fanning, Mr Cashman and Mr Newall are so proud of all the work you have put in this year, and we look forward to seeing what our current Year 8s produce next year!

## Can you have a go at one of their questions?

Chapman, Talbot, Dickens and Waltham are competing at sports day. Read the clues on the following slide to work out which house won each event and who came second, third and fourth in each event.

A team gets **4 points** for coming first, **3** for coming second, **2** for coming third and **1** for coming fourth. Calculate the total number of points awarded to each team at the end of the day.

### Clues

- Chapman won four of the five events.
- The finishing order for 1500m was the same as for long jump.
- The only house that came second were Talbot or Waltham.
- Talbot never came first or last.
- Talbot beat both Dickens and Waltham in three of the four events which Chapman won.
- Chapman scored 17 points, 4 more than Talbot.
- The order for discus was the reverse of the order for javelin.
- Waltham came second to two different teams.
- Chapman was the worst house at javelin.
- Waltham and Dickens scored the same number of points.

		House			
		Chapman	Talbot	Dickens	Waltham
Event	100m				
	1500m				
	Long Jump				
	Javelin
