SCHOOL

# Drama Department

# Welcome to the Drama Department

# Who are your teachers?

MISS GARRED, HEAD OF DRAMA

MRS MANNING, DRAMA TEACHER

# What do we do in Drama lessons?

- We work together in groups and learn to cooperate with each other.
- We build our confidence when speaking in front of other people.
- We learn all about the world around us.
- We create devised performances, from scratch and we look at scripted drama.
- We script and write our own performances.
- We study a wide range of topics from action and adventure and haunted houses, to historical events, such as the sinking of the Titanic.
- We evaluate our work and think about how to improve it.
- We work hard but we have lots of fun!

# Where are we based?

We are based in the Drama Studio and the Hall in A Block.

# Extra-Curricular Activities

- There are lots of opportunities, throughout the year, to be involved in drama outside of lessons. There is a drama club and there is a large school production each year. You can take part on stage or help backstage or you might like to learn how to operate the lighting and sound boards. This picture is from our production of 'Annie'.
